FARMERS MARKET MOVES TO NEW LOCATION, OPENS SATURDAY MAY 5TH

(LANCASTER, OH) The Lancaster Farmers Market is gearing up to open in its new location in the heart of downtown May 5th, 2018. The Farmers Market will take place in the parking lot on West Chestnut Street between Broad Street and Columbus Street, right around the corner from the Keller Market House.

Working in tandem with Keller Market House, local vendors will be on hand each week rain or shine. More than 20 vendors are signed up to sell fresh produce, local meats, eggs and cheese, and handmade bread and desserts. Fresh local flowers and goods made by area artisans will also be available.

“We are looking forward to starting the new season and to providing our community with high-quality local food and a unique variety of flowers and art,” said Market Manager Erin Harvey. “The collaboration between the indoor and outdoor markets provides a very exciting opportunity for both customers and vendors.”

The Lancaster Farmers Market will operate weekly through October 6th, every Saturday from 8 am to noon.
